

Ken Helwig - High Tech Industry

"I spent 20 years in the high-tech industry; 15 years as a business owner and 5 years as an employee. I quickly learned I did not have the same choices as an employee as when I owned my own business. I knew I had to make a change, that's when I discovered West Coast Wellness. I found the opportunity I wanted, and now have control and balance back in my life."- Ken Helwig
