

## Pat Plicka - Business Developer

"As a 14 year veteran sales executive in the high tech industry, I was earning in excess of a million dollars a year. With little fanfare, I was shown the corporate America revolving door after the skilled work of development was done. That is when I realized I needed to own my own business. Call to schedule an appointment if you desire to build your own business instead of someone else's. You owe it to yourself."- Pat Plicka Don't leave your career in the hands of someone else!877-514-5050
