

Tena Guglielmelli - Single Mom

"As a single mom of three I had to work 60 to 70 hours per week to make ends meet. To put my kids through college I would have to sacrifice my retirement plan. When I heard the ad for West Coast Wellness, I made the call. I plugged into their proven system and by my ninth month made \$20,000 in one month. Now I live the lifestyle of my dreams. I'm so fortunate I called West Coast Wellness."- Tena Guglielmelli Your financial future starts today!
